Crocheting Techniques

Beginning Crochet

Class # 15.1 *U-Pick only*

This class is for those with no prior crocheting experience. Learn the basic crochet stitches as well as their abbreviations used in patterns. Additionally, we will discuss hook sizes, yarns and gauge.

Prerequisite: none.

One 2-hour session. Registration plus variable kit fee for yarn and hook.

Registration fee: \$35.00 for one person; \$30.00 for two or more

Important Information

- Classes in this brochure are taught by Fabrications owners: Knitting by Dick Dapson, Crocheting by Janet Dapson.
- ***You must speak directly to the class instructor to register for a U-Pick class!*** There is no minimum enrollment for a *U-Pick*—we will do the class just for you. However, it is more fun and instructive when several people work together.
- ***Payment for any class must be made at the time of registration or received within five business days of registering for the class. U-pick classes will automatically be cancelled if payment is not received in the allotted time.***
- ***Refunds will not be given for missed classes.*** Make-up classes may be available (time permitting) at the rate of \$18.00 per hour.
- A class supply list, where applicable, will be issued upon registration. All yarn and patterns must be purchased at Fabrications. Students receive a 10% discount on class supplies.
- Some classes require you to select yarn and make a gauging swatch before coming to the first class. Classes involving sweaters, slippers and socks assume that the garments are sized and fitted for you.
- Be aware that there may be homework with some of the classes. To get the most out of these classes, you must be able to complete the assigned homework.
- Registration is strictly on a first come, first served basis. Maximum enrollment is 4 students. Once a *U-Pick* day/time is reserved for one class, it is not available for another class. Other people wanting that class can enroll, even though someone else made the initial pick. ***Do not put off making a U-Pick decision!***
- For pre-scheduled classes, please register at least one week before class.
- The stated class fees, prerequisites and length of session(s) apply to scheduled and *U-Pick* classes.
- Should a class be cancelled, money will be completely refunded.
- Cancellation policy for registrants requires 24 hours notice. Because of preparation time and expenses incurred, 80% of the registration fee is refundable.

Knitting Projects

Simple Elegant Scarf Class # 62.1 *U-Pick only*

This class is open to anyone wanting to advance their skills from an elementary level. Students will learn how to read a pattern, create cables and make ribs while producing a fine quality scarf. Students must complete half of the scarf before the second session.

Prerequisite: must be able to cast on, knit, purl and bind off.

Two 2-hour sessions. Registration plus variable kit fee for yarn, needles and pattern.

Registration fee: \$60.00 for one person; \$50.00 for two or more

Easy Hat With Bulky Yarn Class # 64.1 *U-Pick only*

This class is open to anyone wanting to advance their skills from an elementary level. We will make a knit hat with multicolored bulky yarn, using both stockinette and ribbed patterns. Students will learn how to read a pattern, and will learn several intermediate-level techniques, including ribbing, decreasing and knitting in the round on one circular needle.

Prerequisite: must be able to cast on, knit, purl and bind off.

Purchase supplies and knit a gauging swatch before first class.

Two 2-hour sessions. Registration plus variable kit fee for yarn, needles and pattern.

Registration fee: \$60.00 for one person; \$50.00 for two or more

Short Row Swing Shawl Class # 76.1 *U-Pick only*

Shawls are *in* and this one is striking. It is a triangle with undulating waves of different colored yarn, created with short rows. This class will teach how to do short rows on a garter stitch pattern (all knits, no purls), with a unique decorative edge. The first session will involve choosing yarn and beginning the first section of the shawl, which has symmetrical decreases and decorative edging but no short rows. The second section, which does have short rows, may be started in the first session (time permitting), or the student may come back for a second session. Techniques for changing yarn colors will be demonstrated. Additional sessions may be scheduled at the student's discretion at no extra charge.

Prerequisite: must be able to cast on, knit and bind off.

Two (or more) 3-hour sessions. Registration plus variable kit fee for yarn, needles and pattern.

Registration fee: \$90.00 for one person; \$80.00 for two or more

Knitting Techniques

Beginning Knitting Class # 61.1 *U-Pick only*

This class is for those with no prior knitting experience. It covers the four most basic steps (casting on, knitting, purling, binding off), as well as the two basic knitting structures (stockinette and garter stitch). Additionally, we will discuss needle types, yarns and gauge.

Prerequisite: none.

One 2-hour session, includes yarn and needles.

Registration fee: \$30.00 for one person; \$25.00 for two or more

Intermediate Level

Knitting Techniques

Introduction to Short Rows Class # 66.1 *U-Pick only*

Short rows are made when you turn back before reaching the end of a row, creating pie-shaped wedges for artistic or functional effects. When combined with slipped stitches and bound-off slipped stitches, seamless gussets can be formed to make great looking sock heels and toes, among other things.

Prerequisite: must be able to cast on, knit, purl and bind off, and to follow a pattern.

One 2-hour session. Registration plus variable kit fee for yarn, needles and pattern.

Registration fee: \$30.00 for one person; \$25.00 for two or more

Knitting Projects

Easy Felted Slipper Class # 68.1 *U-Pick only*

This class teaches how to make a felted slipper that folds flat for easy storage or packing. Techniques include a provisional cast-on, knitting flat for part of the slipper, then joining in the round on a single circular needle. After the toe is finished, a nearly invisible seam will replace the provisional cast-on yarn and will close the back of the slipper. Instructions for felting are included. Both slippers can be knitted in about 10-12 hours.

Prerequisite: must be able to cast on, knit, purl and bind off, as well as increase, decrease and knit in the round.

Purchase supplies and knit a gauging swatch before first class.

Two 2-hour sessions. Registration plus variable kit fee for yarn, needles and pattern.

Registration fee: \$60.00 for one person; \$50.00 for two or more

Knitting Projects

Top-Down Sweater Class # 74.1 *U-Pick only*

This class teaches you how to custom-fit a sweater specifically for your body. The sweater will be knit top-down and seamless. Choose from patterns in the *Fall Getaway* booklet which include several spectacular pullovers and vests, cardigan and capelet, using a wide variety of yarns from Fabrications. In the first session, we will review the pattern, make modifications for your gauge and start to knit. From there, you will continue at home until reaching certain milestones, at which time you will arrange to come in for the next phase (armhole construction, styling, trim, etc.). When you sign up and schedule the class (must be in person), we will select the pattern and yarn.

Prerequisite: must be an experienced knitter who can follow a pattern and perform simple calculations.

Purchase supplies and knit a gauging swatch before first session.

One scheduled 3-hour session plus any others as needed are included in registration fee. Supplies extra. Must purchase yarn from Fabrications.

Registration fee: \$60.00 for one person; \$50.00 for two or more

Toe-Up Seamless Socks Class # 67.1 *U-Pick only*

This advanced class is for those who would like a rewarding challenge. Most socks are knitted from the top down, use flaps to create the heel, and end with a sewn closure for the toe. Knitting from the toe up eliminates seams and allows a custom fit, even to the point of having right and left socks if you so desire. We will use the single-needle, magic loop method of circular knitting.

Prerequisite: must be an experienced knitter comfortable with circular knitting, who can follow a pattern, perform simple calculations and is familiar with short row techniques (see class on Introduction to Short Rows).

Purchase supplies and knit a gauging swatch before first session.

Three 2-hour sessions. Registration fee plus variable kit fee for needles and sock yarn.

Registration fee: \$90.00 for one person; \$80.00 for two or more
