

About Pattie Otto

Pattie Otto is owner and designer of Great Copy Patterns, a company started in 1986 when Ruthann Spiegelhoff transformed upscale boutique ready-to-wear designs into sewing patterns. Pattie had worked for the Spiegelhoffs since 1986, and took over the company in 2004 after Ruthann retired. She continues the line by selecting classic styles that emphasize easy sewing techniques. Pattie's enthusiasm for fabric, texture, pattern design and construction is evident in all aspects of her sewing. She has taught at numerous sewing expos and sewing group meetings across the United States, sharing her tips to simplify garment construction, yet create a professional finish.
