Serger Tote Bag

Wondering what you could do with a fabulous state-of-the-art serger? How about making a spacious tote bag with four deep pockets, three of which have zipper closures – no sewing machine required!

Experienced Lakeshore Sewing instructor Barbara Wright will put you at ease using a Baby Lock Evolution or Triumph serger to embellish fabric, then use that fabric to create a stylish tote bag. It is an ideal way to “*Try Before You Buy*” and discover the creative possibilities that such an amazing serger provides!

With an \$87 retail value, the kit contains all the fabric you will need, interfacing, 4 spools of serger thread, 2 spools of decorative thread, zippers and strapping for the handles. The kit is available in 2 colorways: blue/white and black/gold/white. See samples of the tote at Fabrications and at Lakeshore Sewing’s Wyoming store.

Call us at Fabrications or stop in to register. Class size is limited, so register early to secure your place and to get your first choice of tote bag color. You will only need to bring basic sewing supplies to class.

Don't miss this fun and information-packed 2-day class!

Registration fee: \$149.00; includes lunch, kit, and use of machine
