Need a class not listed here?

We can arrange a special session; it can be either a class specifically designed for you or one of our regular classes not listed in this brochure. Call us for details and pricing.

Important Information

- Classes in this brochure are taught by Fabrications instructor Janet Dapson.
- **You must speak directly to the class instructor to register for a U-Pick class. Due to high demand, plan to schedule a class at least 4 weeks in advance of your desired time frame.**
- **For pre-scheduled classes (not U-pick), registration is required at least one week before class.**
- **Payment for any class must be made at the time of registration or received within five business days of registering for the class. U-pick classes will automatically be cancelled if payment is not received in the allotted time.**
- **Refunds will not be given for missed classes.** Make-up classes are available at the rate of \$20.00 per hour.
- Cancellation policy for registrants requires 24 hours notice. Because of preparation time and expenses incurred, 80% of the registration fee is refundable.
- Should a class be cancelled by Fabrications, money will be completely refunded.
- Be aware that there may be homework with some of the classes. To get the most out of these classes, you must be able to complete the assigned homework.
- Some classes are offered only as *U-Pick* (by appointment); others are scheduled for specific dates and times, but are also available as *U-Pick*. There is no minimum enrollment; we will do the class just for you. However, it is more fun and instructive when several people work together, so try to enroll a friend.
- Registration is on a first come, first served basis, both for scheduled and *U-Pick* classes. Maximum enrollment is 5 students.
- The stated class fees, prerequisites and length of session(s) apply to scheduled and *U-Pick* classes.
- A class supply list, where applicable, will be issued upon receiving paid registration.
- For best results, we strongly recommend that fabrics be purchased at Fabrications. If you want to bring your own fabric, it must be approved by the instructor before class day.

**Class rates subject to change
without notice.**
